To Whomsoever It May Concern

Petroleum Development Oman (PDO) issued the Contract "C.682032 – EPC for New Sewage Treatment Plants (STPs) at Nimr and Bahja Contractor's Camps during the years 1999 & 2000.

The scope of work included engineering, procurement, construction and operation of two sewage treatment facilities. The work involved installation of pipelines from contractor's camp to STP and further lines for Treated Sewage Effluent and Overflow.

Al Ansari Trading Enterprise LLC (Contracting Division) was the winning contractor who executed the work to full satisfaction and met the technical requirements and time schedule stipulated by PDO.

Al Ansari, performed excellently to the required levels of Quality, Health, Safety & Environment and maintained minimum disturbance to the existing nearby facilities by taking adequate precautions.

We express our particular appreciation to Mr. S. D. Vagal, Projects Manager for the keen efforts put to ensure smooth execution of the overall contract and proper planning and coordinating with all concerned parties, as also for the full co-operation extended by all members of Al Ansari team working on the project.

We wish all success to Al Ansari Trading Enterprise LLC in their future projects.
