Dear Sirs,

Sub: Electrical, Airconditioning and False Ceiling
works at our Factory in Azaiba.

The recent modifications in our factory, involving electrical, airconditioning and false ceiling work, carried out by your Company was of high standard and executed in good time. Your co-ordination with the various working people, and ensuring that the normal production at the Factory continue whilst the modification work was carried out, was really noteworthy. The careful planning and co-ordinating of the work prevented any loss of time or productivity at the factory.

We hope that this kind of services would be continuously available to ourselves and once again thank you and your team for the excellent work done.

Yours faithfully,
