To whom it may concern

This to express our particular appreciation for Mr. Ansar Sab and site Engineer Mr. Abdul Salam for the smooth execution of Ring beam and hard standing projects within Shell Oman Marketing depot at Mina Al Fahal in year 2003. The consideration is for the timely execution, man management, superior planning and excellent communication with all stakeholders of the project. Special thanks for managing Health, Safety and Environment issues in very critical area of the depot (near truck filling area and tank band area zone 1).

We wish all success to for Al Ansari Trading Enterprises LLC and the team

For Shell Oman Marketing Co. SAOG
