JURONG ENGINEERING L.L.C.

TO WHOMSOEVER IT MAY CONCERN

Project : Shaded Hotlink / IBI COMBO Plant Project – Supply, installation, testing and commissioning of the HVAC system, Electrical & Fire Alarm and Fire Fighting Equipment Sub-Contract Works

We hereby confirm that M/s Al Ansari Trading Enterprise LLC (Electro Mechanical Division) has been our Sub-Contractor for above project.

The Sub-Contract valued at approx. R.O.392, 000.000 involved supply, installation, testing and commissioning of the HVAC system, Electrical & Fire Alarm and Fire Fighting Equipments.

We had a very tight schedule to complete the project and hand over the same to client. We would like to place on record our most sincere appreciation to the entire Al Ansari Team, comprising of Mr. B.R.Sreedhar (Mgr-MEP) , Mr.Salim Attarwala (Proj Mgr), Mr.D.S.Gill (HVAC Engr), Mr. Iqbal Ansari (Pl Engr) , Mr.Aftab Alam (Elec Engr) and Mr.Sivasankar (MEP Supvr) for their excellent planning, coordination and execution of a good quality job with stringent quality requirements for the above project.

We are happy with the overall services provided by M/s Al Ansari and are pleased to recommend them for all Electro- Mechanical works.

Thanking you,

Yours faithfully

For Jurong Engineering LLC
